Dear Pre-K Parents,

The time has come to start enrolling for the 2025-2026 Pre-K school year. Enrollment is open to 3 ½, 4, and 5 year olds. **To enroll in the program a child must be at least 3 1/2 years old by July 31, 2025.** Spots in the Pre-K class are limited. Enrollment will be considered in the following order: parish members, families with children already enrolled in St. Mary grade school, and the community. Enrollment will be on a first come first serve basis. Enrollment in the Pre-K program does not guarantee admission to kindergarten. Kindergarten admission will be determined with the same consideration as above. **To ensure your child's spot in the Pre-K program, please return your enrollment form along with the annual non-refundable \$50.00 enrollment fee to the St. Mary School office. Enrollment is not secured until both are received.**

The pre-K curriculum complies with Missouri's pre-K education standards. It includes communication arts, science, social studies, mathematics, social and emotional development, physical development, and religious education. Our classroom nurtures and educates the students, utilizing learning centers with themes based on literature and the children's interests. Daily information sheets and monthly newsletters will help keep parents informed of the new discoveries we are making in our classroom. More information on the curriculum is available upon request.

The Pre-K program runs concurrently with the St. Mary Cathedral School Calendar. Regular school hours begin at 7:50 a.m. each day. Children requiring early drop-off are allowed to go to the school cafeteria for breakfast starting at 7:15. They will then be escorted to the classroom at 7:40. School will dismiss at 3:05 p.m. Children requiring after-school care can attend the After the Bell Club for an additional fee.

Pre-K children have the choice of attending all five days, three days (Monday/Wednesday/Friday), or two days (Tuesday/Thursday). Tuition will be paid in nine equal payments, with the first due September 5th. Lunch may be brought from home or is available in the school cafeteria for an additional fee.

We hope that your child will be able to start their school adventure with us! If you have any questions or would like a tour of the classroom, please feel free to set up an appointment by calling (573) 335-3840.

Thank you,  
Jennifer Landewee, Prekindergarten Teacher
