Dear Preschool Parents,

The time has come to enroll for the 2025-2026 preschool school year. **To enroll in the program, a child must be at least 3 years old by July 31, 2025.** Spots in the preschool class are limited, and enrollment will be considered in the following order: parish members, families with children already enrolled in St. Mary grade school, and then members of the community. Enrollment will be on a first-come, first-served basis. Enrollment in the preschool program does not guarantee admission to kindergarten. Preschool admission will be determined with the same consideration as above. **To ensure your child's spot in the preschool program, please return the preschool enrollment form, the family and student enrollment forms, and the annual non-refundable \$50.00 enrollment fee to the St. Mary School office. Enrollment is not secured until everything is received.**

The preschool curriculum complies with Missouri's preschool education standards. It includes communication arts, science, social studies, mathematics, social and emotional development, physical development, and Catholic religious education. Our classroom nurtures and educates the students, utilizing learning centers with themes based on literature and the children's interests. Daily information sheets and monthly newsletters will help keep parents informed of the discoveries we are making in our classroom. More information on the curriculum is available upon request.

The preschool program runs concurrently with the St. Mary Cathedral School Calendar. Regular school hours begin at 7:50 A.M. each day. Those children requiring early drop-off may report to the school cafeteria after 7:15. They will then be escorted to the classroom at 7:40. School will dismiss at 3:00 P.M. Children requiring after-school care can attend the After the Bell Club for an additional fee.

Preschool children have the choice of attending all 5 days, 3 days (Monday/Wednesday/Friday), or 2 days (Tuesday/Thursday). Tuition will be paid in 9 equal payments, with the first being due September 5<sup>th</sup>. Lunch may be brought from home or is available in the school cafeteria for an additional fee.

We are excited that your child will be starting their school adventure with us! If you have any questions or would like a tour of the classroom, please feel free to set up an appointment by calling (573) 335-3840.

Thank you,  
Maggie Arnold, Preschool Teacher  
Alan Bruns, Principal
